Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following item:

1. A review of the reports filed by your committee (see attached) indicates that your committee received one or more transfers from "I.B.E.W. Educational Committee" which has not been disclosed on their report(s) of receipts and disbursements. Please provide clarifying information regarding the source of the transfer(s) received by your committee.

- Your report disclosed certain categories of financial activity that have been reflected on the wrong lines of the Detailed Summary Page. Contributions from Other Political Committees, and Offsets to Operating Expenditures should be properly disclosed on a separate Schedule(s) A, supporting Line(s) 11(c) and 15, respectfully, of the Detailed Summary Page. Please refer to the instructions for each line when determining the proper categorization(s) for your next filing.

Please be advised that Voter Identification, Generic Campaign and Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot is considered to be Federal Election Activity. 11
